Arlen, Eldon and Richard spoke remembering their visits to Grandpa Neilson's farm when they were young. Richard said he recalled how Grandpa Julius taught him to tie his shoe laces. Since we are Swedish people, Richard and I sang, "Oh My Father.", in Swedish. Lorraine, Carol, Debbie and Cindy spoke of their memories also. This is all recorded on Video (Verna's & Duane's) so everyone will need to come to our place in Welling to see it. Jim, Duane and Eric also spoke of their memories.

I'm writing this while Duane & I are on a Family History Mission in Salt Lake City, and we do have some spare time so it is a good time to put these things together but I am sorry I left some of my letters at home.

We all enjoyed a huge pot-luck supper and then Arlen played beautiful dance music and we all felt young and happy. Ralph and Jane seemed to be the best dancers there. We all felt our love for each other and our wonderful parents.
