

The Watcher

*She always learned to watch for us,
Anxious if we were late,
In winter by the window,
In summer by the gate,
And though we mocked her tenderly,
Who gave such foolish care
The long way home would seem more safe
Because she waited there.*

*Her thoughts were all so full of us,
She never could forget!
And so I think that where she is
Waiting till we come home to her
Anxious if we are late
Watching heaven's window
Learning from heaven's gate.*
